

Role Profile: Gardening & Maintenance Volunteer

Why is this role important?

Our sites take a lot of care – they are important to our pets and public and to keep them looking good is a big task and we need a dedicated team of people in order to do it. Our pets use them every day and the public can enjoy them every day; without you that wouldn't happen!

How you can support us

- Working with our maintenance team to find creative solutions to fixing and repairing different out buildings
- Using different power tools to ensure the jobs are completed professionally and efficiently.
- Helping to keep our sites tidy by sweeping, raking, cleaning and emptying bins.
- General gardening of site areas including weeding, pruning and watering of site plants.
- Helping to maintain feed supplies to the animal kitchens and reception shop(s) as and when required

What will you gain in return?

- An opportunity to positively impact the daily operation of the NAWT.
- The chance to join a great team and make new friends along the way.
- Training for the role.
- Tea and coffee provided.

Ideally, you will....

- Have a good level of basic DIY skills desirable and confident using a range of different tools, both electrical and manual.
- Be relatively fit & healthy.
- Enjoy working outdoors.
- Have an interest in the work of the trust

When do we need you?

Flexible. We have shifts to suit everybody's needs! Please see our website for availability.
